Overview

The Country Arts Support Program (CASP) is an annual small grants program funded by Create NSW and managed by Regional Arts Development Organisations (RADOs) and is guided by Create NSW's Arts and Cultural Funding Program's three major objectives:

- Grow creative leadership and programming excellence in NSW
- Strengthen NSW arts and cultural activity that drives community and social benefits
- Showcase NSW as a leader for strategic arts and cultural governance and strong financial management.

Objective:

Support community arts and cultural development in regional NSW through small grants that:

- Assist locally determined community arts and cultural activities
- Increase opportunities for regionally based groups to access a diverse range of arts programs
- Enable communities to explore and express their cultural identities
- Bring social and economic benefits to the community through training, employment and promotional opportunities
- Lead to greater awareness and appreciation of cultural diversity
- Increase the sustainability and resilience of regionally based community arts organisations

Administrator or Auspicing Body

When applying for a grant, majority of funding bodies require the applicant to be a legal entity (such as an Incorporated Organisation) or to have an Administrator or Auspicing body. This is to ensure there is some protection in that any grant money is spent in line with the successful application. There is often too much risk for a funding body to deposit funds into someone's personal bank account. By giving the funds to a legal entity that has audited financial statements, they can be sure the funds aren't misused.

For the 2023 CASP Murray Arts round non-incorporated groups/collectives and individuals will be required to have an Administrator or Auspicing body. Don't hesitate to contact the Murray Arts Team, as we can help brainstorm out who could be the best Administrator or Auspicing Body for your project and it is worth noting that majority of Administrators or Auspicing Bodies will charge a fee for this service, generally between 5-10% of the total grant money and this will need to be factored into your budget. Note: Murray Arts is an Auspicing Body and can Auspice CASP applications.
